## Stockwood Free Church

### **SUNDAY SERVICES AT 10.45am ON SFC PREMISES AND ON FCC**

<https://www.freeconferencecall.com/wall/sfcbristol/viewer>

Our first couple of services in January will be one-offs including our annual Commissioning service (including Communion) on 9<sup>th</sup> January. The week after that we will recommence our series in Luke's Gospel which filled the equivalent period leading up to Easter last year. We will start with chapter 11.

30<sup>th</sup> Beth Stephens Trust (Luke 12:13-34)

### **COVID ARRANGEMENTS**

We will continue for the time being with our current arrangements for Sunday services as they have served us well. However, do remember that if for any reason you are unable to join us in person, you can always join us on FCC.

### **NEWER & ONE-OFF ITEMS:**

#### **READERS AT WOODLANDS SCHOOL**

We have an excellent relationship with the school. One of their key and ongoing needs is for people to go in to school regularly and listen to children reading. If anyone is interested in doing this, please have a word with Lance.

#### **LATERAL FLOW TESTS**

We can help each other out here. If you have tests to spare, or need a test, please let Sam Powell know and she will put out a message on the church e-mail and hopefully we can pair households up.

#### **CALENDARS**

The 2022 SFC calendars are available to collect from church or from Roger and Pauline's home, 60 Bifield Road. If you would like one but are unable to pick it up, please let Pauline know (01275 838116) and we will deliver it.

#### **WHERE IS LANCE?**

It won't come as any surprise that Lance and Carol will again be around all this month ... and for the foreseeable future!

#### **FELLOWSHIP NEWS**

**Frank Kohler** – It is with mixed feelings that I pass on the very sad news that Frank died last Wednesday morning. He was very peaceful at the end, and we are thankful for this. Above all we know that he is now out of pain and distress and is with Jesus, whom he loves dearly.

**Joanne Langley** – Joanne has to have a fairly major operation sometime in the near future to deal with a cancerous growth.

**Rebecca Mason** – She is starting to eat a bit and also manages to keep some of it down. As I (Lance) write, whether or not she has an operation to insert a feeding tube very much hangs in the balance. Whatever the case, the aim is to send her to an intensive rehab centre in Frenchay fairly soon.

**Terry Nichols** – Terry is currently in the BRI with cellulitis. He is unable to have visitors under current Covid safety rules.

**Gordon & Pat Richards** – Their faith is shining through given all that their family has been through over the recent past, but it is very hard for the two of them.

**Sue Rowe** – Sue has broken a bone in her foot - no-one knows quite how she did it! - and has to wear a support boot and stay downstairs for a while.
