

# Pray for Peace <sup>IN</sup> *Europe*

The situation between Russia and Ukraine is very concerning, with potential implications for other countries in the region. The issues are complex. Here are some of the concerns of our partners, to inform your prayers.

Thank you for your prayers  
at this anxious time.

# Pray for:

Peace in Ukraine and the region - pray the Russian Army will withdraw from Ukrainian borders.

God's peace for all who are fearful - pray against panic.

Civil war to not break out in Ukraine and other countries whose support is divided between NATO and Russia.

# Pray for:

Wise people of peace to mediate in this situation.

Tensions to reduce in the region.

The people of Transnistria, a Russian enclave of Moldova, who can hear daily target practice from Russian troops on the border.

# Pray for:

Economic stability, which is affected by the tensions, and increases in fuel and food prices.

Christian leaders to be good witnesses of God's peace.

Safety for TEN partners, Daniel and Irinka Stracinski, who must travel to Ukraine in March.
